

## Winter Birds of Payne County, Oklahoma

This checklist was built from a compilation of all Payne County checklists submitted to eBird, Dec–Jan 2009–2019. It represents birds reported on average on at least 2.5% of eBird checklists from Payne County. If you encounter a species not on this list, please try to obtain a photo, audio, or video recording to help provide the level of detail necessary to confirm the identification.

If using this form to report data to your local compiler for a Christmas Bird Count, please include the following data that the National Audubon Society uses to standardize birding effort:
